Welcome back for term 3!

This term we will be having a focus on literacy and recognising letters around us. We want to encourage the children to develop a love of books and literacy from an early age.

We have a few special events happening this term at Preschool including our Sportathon and a performance at the Chaffey Theatre in September. Details on these closer to the date.

Renmark West Primary have their Spring Fair on September 11th where our Preschool will hold a baked goods and play dough stall. We will require donations for this and will send out more information later in the term.

Come along and support our playgroup sessions with your child/ren on alternate Friday mornings. Let friends with young children know and bring them along too. All are welcome!

Please ensure you have enrolled your child into your primary school of choice. If you have changed your preferred school since you enrolled your child at preschool please let me know. We need accurate information to ensure your child is involved in their chosen school transition programme.

If you have different people collecting your child from preschool to what you originally named on your children’s enrolment form please come and see me as we need to add their name/s and details to our records.

When making preschool fee payments you may place your envelope with cheque or cash into the mailbox on my office door. If making a direct deposit payment please mark this on your envelope so I know this when I do our preschool banking.

We look forward to a busy and productive term.

Kind regards

Acting Director
